The Salix Yurts, Wigginton

The Salix Yurts are two stunning semi-permanent Yurts in a picturesque location on the outskirts of York. Erected to home York's premier Christmas grotto, 'The Reindeer House', The Salix Yurts are now York's fastest growing, affordable wedding venue.

Located on beautiful parkland, with onsite farm animals, an idyllic lake, and quirky on-site accommodation the Salix Yurts are the perfect location for a wedding reception with a difference.

The Yurts come with electricity, lighting, tables, benches, ornate chandeliers, reception area, large outdoor grass and gravel area, toilet block, storage space and impressive bar area leaving a perfect venue which will impress all of your guests.

The Salix Yurts site is also home to York's favourite glamping site, The Little Hide, meaning you can turn your wedding day into a wedding weekend.

With eight 'pods', a comfortable cabin and a mini Yurt all within a short stroll of The Salix Yurts, The Little Hide is the perfect place to spend the night before and night of your wedding with your closest family and friends.

The site has BBQ, fridge and freezer facilities. The on-site Farm Cafe can even provide a scrumptious breakfast the morning after the night before!

Included in the price of hiring Salix Yurts is a free pay-as-you-go bar set up from our Sister company Louisiana's Mobile Bars, normally worth £250.

Fully staffed with a highly experienced team of cocktail bartenders and licensed until midnight the bar includes draught and bottled lager, real ale, cider, wine, prosecco, spirits, soft drinks and a tailored cocktail menu.

Louisiana's can also provide a very competitively priced wedding drinks package including a cocktail on arrival, table wine, table water and prosecco to toast starting at just £12.50pp.

As finalists in the 'best special touch' category at The Wedding Industry Awards two years running, your beverage needs are in safe hands.
