# YORKSHIRE HEART VINEYARD

Nun Monkton, North Yorkshire, YO26 8EL

"Yorkshire Heart Vineyard was the most amazing venue for our wedding reception. They could not have done more for us from the first moment we met them until the big day itself it made our day perfect."

**YORKSHIRE HEART VINEYARD IS A STUNNING MARQUEE VENUE FOR ANYONE LOOKING FOR SOMEWHERE A BIT DIFFERENT TO HOLD THEIR SPECIAL DAY... YOU DON'T GET MUCH MORE UNIQUE THAN A VINEYARD IN THE HEART OF YORK!**

Yorkshire Heart Vineyard provides an idyllic rural location to celebrate in style, with fantastic views over 35 acres.

Yorkshire Heart Vineyard is an award winning family vineyard and brewery based at Nun Monkton in the heart of Yorkshire. Starting as a hobby in 2000 with 35 vines the Spakouskas family now lovingly nurture 22,000 vines all year round, producing fine English wine from grape to glass.

Operated by renowned wedding specialists, Louisiana's Weddings, the vineyard allow five day hire of the marquee site which is ideally located next to the picturesque vines.

You are then permitted to build your perfect day with the freedom to use any of your own suppliers or enjoy access to Louisiana's extensive list of the counties most revered wedding specialists including marquee providers, catering companies, florists, celebrants, bands, musicians and much, much more.

You will have a dedicated wedding administrator every step of the way for help and advice and there will be an on the day event manager to assist with the smooth running of your day. The only thing we insist on is a mobile bar set up from Louisiana's Mobile Bars which will be stocked with ale and wine from Yorkshire Heart.

There is choice too for the official ceremony with the nearest church being based just a mile away in the village of Nun Monkton. Others may opt for a less formal, yet personal service of an onsite blessing which we are able to assist with.

Yorkshire Heart is the perfect marquee wedding venue and we would be delighted to host your big day.

We are looking forward to getting started with the planning!
