Our commitment to provide excellent customer service to our bride and grooms is paramount. From initial show round we will be there every step of the way as we provide a dedicated wedding administrator to answer all of your questions and recommend suppliers from our extensive list of the best the industry has to offer. Each one of our venues is unique in its own way so if you are looking for a marquee site, yurt, barn conversion or former church we have got the venue for you.

We hope you find your dream venue within our offerings and please do not hesitate to get in touch with any questions you may have or to arrange a viewing.

# Aldby Park Buttercrambe

**Aldby Park is a stunning marquee wedding site based in the rolling North Yorkshire countryside. It has recently been voted as one of Yorkshire's most scenic wedding venues by The Yorkshire Post.**

Benefitting from scintillating views, glorious grounds and gardens and neatly tucked away in a secluded village, Aldby Park is a hidden gem just waiting to be discovered. The Georgian listed family home, built in 1726, provides the perfect back drop for any marquee wedding with the choice of two beautifully manicured lawns certain to leave your guests in awe. You will also have full access to the delightful gardens, surrounded by an intriguing dry moat, whose elevated position provide stunning views over the River Derwent and beyond.

As a 'site only' marquee wedding venue Aldby Park provides a pristine canvas to paint your perfect wedding, allowing utilisation of your own suppliers or choosing from an extensive list of recommended local companies. Access to the venue will be allowed for five days, dedicating time to put those personal

touches to your wedding venue while your dream marquee is erected.

Aldby Park is just a short stroll from St John's Church, where a licensed ceremony can be held. Alternatively our 'lion cage' area is a tranquil location for an outdoor blessing with a personal touch. The adjoining, enclosed reception lawn is the ideal spot for welcome drinks before your guests make their way through to the main lawn where garden games can be played before sitting for your wedding breakfast and evening party.

Amplified music is permitted until 1am with the bar also licensed until this time.

The small and secluded village of Buttercrambe, located in the Ryedale district of North Yorkshire, is only a short distance from Stamford Bridge and the larger hubs of York, Malton and Pocklington. Hosting only eight weddings per year, viewings are highly recommended at this much sought after site.

# BLUE'S

## WEDDING & EVENTS CATERING

Barbecue inspired, creative & relaxed wedding food

The Blue's philosophy is to create beautiful wedding food using the best local produce, throwing in a pinch of homemade Yorkshire charm, serving a range of rustic sharing boards for a relaxed style of dining.

We provide lots of flexible options for your whole day, from creative canapés and feasting wedding breakfasts, to evening street food served from our custom airstream trailer.

We have a passion for using alternative cooking techniques such as barbecuing over fire and slow smoking then refining these bold flavours into creative menus to provide something a little different for your special day.
